

PRODUCT DATA SHEET

Premium Quality Lubricants

NATIONAL™ DEXOS 1 MOTOR OIL PREMIUM SYNTHETIC AUTOMOTIVE MOTOR OIL

PRODUCT DESCRIPTION

NATIONAL™ DEXOS 1 motor oil is **blended from synthetic base stocks for better fuel economy and reduced harmful emissions**. It is formulated using advanced detergent-dispersant, antioxidant, anti-wear agent, friction modifier, and defoamant additives for better wear protection. It provides excellent protection against sludge, engine rust and corrosion under severe low temperature operating conditions. Provides enhanced deposit protection meeting legacy GM 4718M engine test.

INDUSTRY AND OEM SPECIFICATIONS

- ◆ API SN/RC
- ◆ ILSAC GF-5
- ◆ GM DEXOS 1 (RB1A1214031), GM 6094M, GM 4718M
- ◆ Honda HTO-06 (suitable for use) Turbo Charger Specification

APPLICATIONS

NATIONAL™ DEXOS 1 motor oil meets the highest GM performance specification. Designed to provide enhanced performance in turbo charged engines. It is recommended for both domestic and foreign made gasoline powered engines.

TYPICAL PROPERTIES

SAE GRADE	TEST	5W-30
Viscosity @100°C	D445	10.5
CCS Viscosity	D5293	
@-30°C (cP max.)		6600
-25°C (cP max.)		NA
@-15°C (cP max.)		NA
Pour Point °C	D97	-40
